

The State Clubs have decided to stop hosting the Brat Fest for the fire departments. It required over 300 volunteers, and the net proceeds were dwindling, along with participants. As Snowbirds continue to want to help the local community, especially the Fire Departments which keep us safe in the winter months, they have created a new fundraiser which requires only 15 volunteers.

We are announcing the **Calendar Drawing**. Take a moment to review how it works below.

Below is the general information:
