

2023 Golf Logistics

KEEP / SAVE for future reference.

<https://www.mnal.org/Recreation-Physical.html>

Note: The golf coordinators are required to give the course the tee sheet **two full days** before the event date. Keep in mind the following:

- Monday events are communicated at ~4pm Friday before
- Thursday events are communicated at ~4pm Monday before

Before submitting, we will fill holes in the schedule and move golfers so that there are no gaping holes that the course won't be able to fill. Any major change to your tee time would be communicated via the email you provide. Once we submit the final tee sheet with adjustments, we consider the tee sheet **CLOSED** for additions, changes or cancellations. All further adjustments must go through the course, not the coordinators. Please note the following:

3 days or more prior to your tee time:

- Request tee times (subject to availability) - Use the **GREEN** button on website above
- Change or cancel tee times - Use the **RED** button on website above

Note: Once you click into the above forms we suggest you bookmark the link for future quick access. If using an internet browser window, click on the star icon in the web address field. On an Android Smartphone, click the three vertical buttons when on the form to bookmark your page. Ipad, Iphone, tablet users check your user manual or help button for how to bookmark a page.

Within 2 days of your tee time:

- Check the tee sheet to confirm your tee times, as they may have changed if we needed to fill holes in the tee time schedule. Use the **BLUE** button on the above website to view tee times by date
- Need to change something? Call the course contact below, not the golf coordinator to make the changes. We suggest you add the course phone numbers to your contact list on your cell phone for quick access.

Day of event:

- Arrive 30 minutes or more before your scheduled tee time. Most of the courses offer free driving range privileges so you can warm up. Better to be early than late.
- If the weather doesn't look promising, we, the golf coordinators, do not announce rainouts or adverse weather condition cancellations. Call the course to get the latest update to see if they will have restrictions (i.e. cart path only, etc.) delays or closures. Indicate your changes to them and reference the tee time and golfer's name that it is listed under, if not your own.

Peninsula	251-968-8009
Craft Farms	251-968-3002
Kiva Dunes	251-540-7000
GS Country Club	251-968-2596

Thank you. Nancy & Jeff Poferl, Scott Smith, Golf Coordinators
