

2026 Golf Logistics

KEEP / SAVE for future reference.

<https://www.mnal.org/Recreation-Physical.html>

2026 All tee time reservations are done by calling the course 2 weeks in advance! Updated schedule is attached with phone numbers.

- The Minnesota group usually plays golf Monday and Thursdays during the Snowbird season, from Jan 15-Feb 28th. There is one Tuesday date, highlighted on the schedule.
- Scott Smith, Jeff Pofert and Nancy Pofert coordinate the dates, group rates and course selection.
- The group rate is often cheaper than the course's everyday rack rate. In October, most courses also offer 6-pack rates during the Snowbird Season that are a good value as well. Check each course's website for details on 6-pack rates, deadlines to purchase and restrictions.

When booking tee times:

- Identify that you are booking under the Minnesota block of tee times.
- Provide name & phone number for each spot.
- If booking as a single or couple, please ask to join open spots with other golfers., if possible.
- The clubhouse will assign tee times based on availability and in the order received.
- They will book your time in ascending order starting with the first start time.
- If available and needed, the clubhouse may add additional times for the group, at their discretion.
- **One week prior to the date of the event the course reserves the right to take back all unused tee times.**

Payment:

Pay the course directly when checking in. You can use your six-packs towards the group event dates within the terms of the six-pack expiration dates or pay the group rate noted on the golf calendar schedule.

Canceling tee times:

It is your responsibility to call the clubhouse if you must cancel. Do not assume that they will know you won't show up due to inclement weather or for any other reason. To be good golf stewards we need to let the course know when we cannot make it so they can attempt to sell the spot to the non-group public. Thank you!

Day of event:

- Arrive 30 minutes or more before your scheduled tee time
- If the weather doesn't look promising, we, the golf coordinators, do not announce rainouts or adverse weather condition cancellations. Call the course to get the latest update to see if they will have restrictions (i.e. cart path only, etc.) delays or closures. Indicate your changes to them and reference the tee time and golfer's name that it is listed under, if not your own.

Revised Golf Schedule on page 2 below.

Day	Date	# Golfers (max)	Golf Course	Starting tee times AM	How to reserve tee time	Greens fee w/cart (plus tax)	Course Telephone	Expected Sunset
Thursday	1/15/2026	40	Cotton Creek	11:00	2 wk ahead-Course	\$75.00	251-968-3002	5:13
